

1973 Beechcraft Baron B55 For Sale

Written by [Garry Conn](#) on March 10th, 2008

Up for sale is a beautiful 1973 Beechcraft Baron B55. The airplane sports very nice avionics which include the King Digital Silver Crown and is IRF certified through 1/08. Dual KY 196 Comms, KNS 80 RNAV/DME and many more state of the art components. Other features of this amazing airplane include a new six place interior, luggage web, three blade props, Cleveland wheels and brakes and a 136 gallon fuel tank.

This low time Baron has beautiful paint and interior and has been professionally flown and meticulously maintained by the previous owner since 1988. The aircraft has no damage history and has all original logs and all A.D.'s complied with as of June 2007 annual inspection. This beautiful Beechcraft Baron B55 may be inspected at the North Little Rock, Ar airport.
